Glass lamp Lux W

Oil lamp Lux 40

Candeye LUX oil lamp

- A new aesthetically beautiful oil lamp in 2 different sizes LUX 10 and LUX 40.
- Long burning time. Average burn time for Lux 10 is around 10-12 hrs and for Lux 40 around 40-44 hrs. (longer than a full work week).
- Sustainable "perpetual light", also the wick has "eternal" life.
- Perfect alternative to standard "one-time" candle (a.k.a. Tea light) or normal paraffin candles.

LUX oil lamp

- Save time and money when it greatly reduces the time spent to change and replace the burnt-out tea-light and paraffin candles.
- More or less odorless and the lamp soot very little, because the wick is made of materials that do not burn down.
- Fits in all different forms of the larger candle lanterns.
- Unbreakable, ideal for entrance, bathroom, spa, etc.

LUX oil lamp

- Made in Sweden
- Made from recycled materials (aluminum and PET plastic).
- The oil lamp is designed based on the Product Safety Act.

Candeye LUX Glass lamp News

- Available in 3 different designs.
- Lux C Clear glass, Lux W frosted glass, Lux B clear glass with a pattern.
